## Juniors deserve a better way to learn to play golf!

Most junior programs are incomplete. That is why the **Carolina Country Club** uses the Operation 36® Development Model which centers on playing golf. **The goal is to help your junior shoot par (36) or better for 9 holes.**

**STEP ONE: Learn Skills in Fun Classes**
We make learning the game feel like a game! Your junior will make friends and learn skills in fun engaging classes.

**STEP TWO: Play Their First 9 Holes**
Coaches will provide your junior with a 9 hole playing experience with the Op 36 Model.

**STEP THREE: Train & Track Progress**
The Op 36 Mobile App is your families guide to practicing and playing golf outside of classes.

## Learning to Play Golf with OPERATION 36® GOLF

**JUNIOR DEVELOPMENT MODEL**

**GAMIFIED (FUN) CURRICULUM**

**TECH DESIGNED FOR FAMILIES**

At **Carolina Country Club** we believe that every golf program should be centered on playing golf and making it fun to track progress over time. This is why our facility is excited to be a licensed Operation 36® facility. We leverage the Op 36 Development Model (see below) and technology to make it fun for our golfers to improve their skills.

## Mastering the Operation 36 Model:

### Golfers Play 9 Holes From Level 1 (25 Yards)

Instead of starting at the full tee box, all golfers begin in Level 1 and will play 9 holes starting 25 yards from each green.

### Shoot par (36) or better to pass Level

When they shoot par (36) or better, the golfer progresses to Level 2, where they start 50 yards from each green.

### Complete the Level 10 challenge

This challenge continues until the golfer can shoot par (36) from all 10 levels!
